## A Message from President and CEO Elizabeth Bartz

State and Federal Communications, Inc. has one mission - to ensure you and your organization can comply fully with the myriad and growing government compliance laws and regulations regarding lobbying, campaign finance, and procurement lobbying.

For almost 30 years, we've been providing compliance solutions to Fortune 500 companies, trade associations, law firms, and government affairs firms.

We offer our resources in two ways:

- Our online guidebooks are designed for organizations that self direct and report their own lobbying and political contribution activities.
- Our ALERTS™ consulting program takes the worry out of political compliance reporting by handling all of the details for you and your organization.

With either approach you choose, our team of expert compliance attorneys keep our information up to date and accurate at the federal, state, and local levels of government.

We also offer an ever-growing amount of international political compliance services. We currently have information on Canada, Europe, and are expanding into Latin America.

State and Federal Communications, Inc. is The Compliance Standard for your government affairs needs in lobbying, political contributions, and procurement lobbying.

You can count on us for experience, guidance, and solutions.

Best,  
*Elizabeth Z. Bartz*  
President and CEO

# UNITED STATES LOBBYING

## *Compliance Laws*

The U.S. Lobbying Compliance Laws Guidebook is the definitive resource used by government relations professionals to stay current with lobbying laws at the federal, state, and local levels of government.

This online resource details lobbying activities allowed – and not allowed – under the law.

### **United States Lobbying Compliance Laws include:**

- *Precise summaries of lobbying laws in every jurisdiction*
- *Full listings of registration and reporting requirements*
- *Summaries of every gift law*
- *A complete calendar of registration and reporting deadlines*
- *All inclusive contact lists with telephone numbers, postal and email addresses, and websites for government compliance officers and ethics commissions*

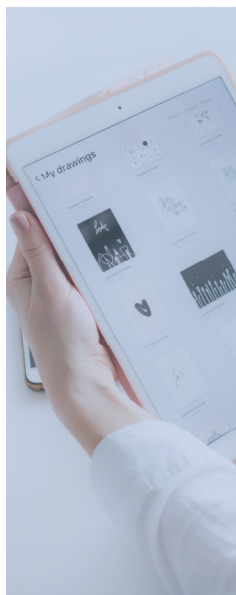

# POLITICAL CONTRIBUTIONS

## *Compliance Laws*

The U.S. Political Contributions Compliance Laws Guidebook is the definitive resource for campaign finance laws at the federal, state, and local level.

Every state has different regulations regarding political contributions. That's why State and Federal Communications developed this comprehensive resource with every state's campaign finance laws.

### **Political Contributions Compliance Laws includes:**

- ✔ *Contribution limits and specific prohibitions*
- ✔ *Information on who can make contributions to whom*
- ✔ *IRS obligations as applied to political action committees*
- ✔ *Precise listings and summaries of each state law*
- ✔ *Full descriptions of registration and reporting requirements*
- ✔ *A calendar of reporting deadlines and election dates*

# PROCUREMENT LOBBYING

## *Compliance Laws*

The U.S. Procurement Lobbying Compliance Laws Guidebook focuses solely on corporate compliance related to procurement lobbying. This resource helps navigate the procurement lobbying process as federal, state, and local governments purchase trillions of dollars in goods and services.

This Guidebook contains all procurement lobbying laws, along with common language descriptions of these same ordinances and statutes.

### **Procurement Lobbying Compliance Laws includes:**

- *Precise listings and summaries of each state law*
- *Pay-to-play laws on every government level*
- *Advisory opinions interpreting lobbying laws*
- *Full descriptions of registration and reporting requirements*
- *Summaries of gift laws*
- *All-inclusive contact lists with telephone numbers, postal and email addresses, and websites for government compliance officers*

# INTERNATIONAL LOBBYING

## *Compliance Laws*

International Governments at the federal, provincial, territorial, and local levels, have unique lobbying and political activity laws which differ from those in the United States.

The International Compliance Laws Guidebook has information on Lobbying Laws, Political Contributions, and Procurement Lobbying.

### **International Lobbying Compliance Laws includes:**

- *Precise listings and summaries of each applicable law*
- *Full descriptions of registration and reporting requirements*
- *Summaries of gift laws*
- *Information on who can make contributions to whom*
- *All-inclusive contact lists with telephone numbers, postal and email addresses, and websites for government compliance officers*

#### ***Canada Only***

- *Contribution limits and specific prohibitions*
- *Pay-to-play laws on every government level*

## Canada

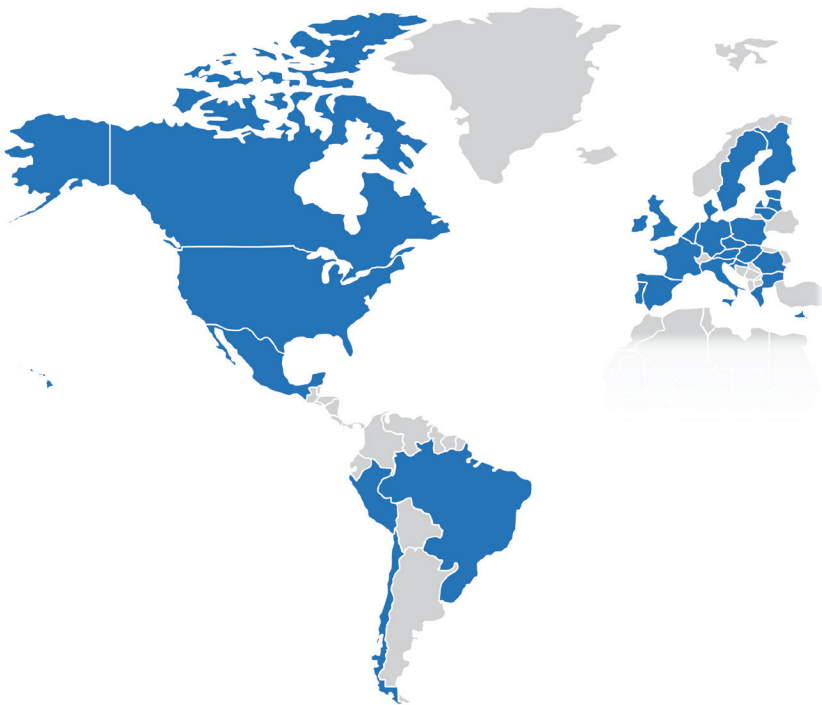

*Covering lobbying, political contributions, and procurement lobbying compliance laws at the federal, provincial, and local levels of government.*

## Europe

*Covering lobbying compliance laws in 28 European countries and the European Union with more to come.*

## Latin America

*As we continue adding to our growing list of compliance coverage, we are expanding into Latin America and all the lobbying compliance laws*

## ALERTS Compliance Consulting

Our ALERTS™ Consulting Service provides personalized compliance help. We assist corporations; lobbying, law, and accounting firms; associations; and individual lobbyists with lobbying compliance for federal, state, and local disclosure requirements.

ALERTS™ Consulting Service ensures employer and lobbyist reports are accurate and filed on time. With more than 400 lobbyist and employer reports and registrations due for lobbying activity, individual reports are easy to overlook.

### ALERTS Corporate Contribution Compliance Services (C3)

Our Corporate Contribution Compliance services provide contribution pre-clearance to corporations making political contributions, using corporate dollars, in states where direct corporate contributions are allowed.

In many cases, states allowing political contributions from a corporation's general treasury have codified a maze of registration and reporting requirements. C3 consulting clients receive the experienced and specialized knowledge of our team to navigate and comply with these rules and reporting requirements.

### ALERTS Procurement Compliance

- Assistance determining at-risk personnel
- Personalized registration and ethics assessments
- Training Programs
- Specialized managed markets program for the pharmaceutical industry

### Large Scale Conference and Event Reviews

- Revolving Door Assessments
- Internal Audit and Process Reviews
- Contract Lobbyist Tracking
